

## Zuko Explains – New Heavens & New Earth (Shincheonji)

[PUBLIC HANDOUT VERSION – Clean Text]

### 1. Who is Jesus?

Shincheonji teaches Jesus is not fully God. The Bible shows Jesus is eternal and divine (John 1:1–3; Col 1:15–17; Heb 13:8).

### 2. The “Promised Pastor” Claim

Shincheonji teaches their leader is the only true interpreter. The Bible says Jesus alone is mediator (1 Tim 2:5; John 14:6).

### 3. Exclusive Salvation

Shincheonji claims only their members are saved. The Bible says salvation is by faith in Jesus, not through joining one organisation (Romans 10:9–13).

### 4. Secret Classes and Hidden Identity

Shincheonji often hides its identity. The Bible shows believers test teachings openly (Acts 17:11; 2 Cor 4:2).

### 5. Misusing Revelation

Shincheonji claims Revelation points to their organisation. The Bible says Revelation is for all believers (Rev 1:3; 2 Pet 1:20–21).

### 6. Claim: Jesus Returned Secretly

The Bible says the return of Jesus is visible and global (Matt 24:27; Acts 1:11; 1 Thess 4:16–17).

## 7. Control and Isolation

The Bible teaches that Christian leaders must serve, not dominate (Mark 10:42–45; 1 Pet 5:2–3).

## 8. Extra Scriptures and Hidden Meaning Systems

Shincheonji uses a hidden “code” system. The Bible is clear, complete, and for all believers (2 Tim 3:16–17; Psalm 119:130).

## 9. False Prophecies

Failed Shincheonji predictions fail God’s biblical test for a true prophet (Deut 18:20–22; Jer 23:16; Matt 24:11).

### Summary:

Shincheonji changes who Jesus is, adds a human mediator, isolates members, twists Revelation, and gives failed prophecies. Jesus alone saves.
